## **About Our New Online Registration & Lottery System**

*For Ohio University's most popular Special Event Weekends the Ohio University Inn will use an online registration for interested guests to enter our reservation lottery.*

### **Online Registration**

Between Saturday, July 1 – Monday, July 31, 2017 interested guests can visit our website, [www.ouinn.com](http://www.ouinn.com), to register to be entered into a lottery that will take place on Tuesday, August 1, 2017\*. *There is no advantage in early registration as all names will be entered into a random lottery for reservation selection.*

### **Lottery System**

On Tuesday, August 1, 2017 names will be randomly selected from the registration for reservations. Those whose names are selected can expect to receive a call within 1-15 business days after the lottery is completed to book his/her stay. If an individual does not answer our call, a voicemail will be left and he/she will have 24 hours to return our call and reserve a room.

### **Reservation Information**

Reservations for Lottery Weekends will have a two night minimum, two room maximum at a rate of \$229.95 + tax per night. We will not require an advance deposit at the time of booking. Reservations will have a 30 day cancellation policy. Cancellations must be received prior to 6:00 PM 30 days prior to the arrival date in order to avoid a penalty of one night's room and tax.

*\*Due to high phone volume during this time, it is highly recommended that guests use the online registration to enter the lottery. If a guest does not have access to our website or has questions, please call our property directly for assistance.*
