About Our Online Registration & Lottery System

For Ohio University's most popular Special Event Weekends the Ohio University Inn will use an online registration for interested guests to enter our reservation lottery.

Online Registration

Between Monday, January 8, 2018 – Sunday, July 15, 2018 interested guests can visit our website, www.ouinn.com, to register to be entered into a lottery that will take place on Monday, July 16, 2018.

There is no advantage in early registration as all names will be entered into a random lottery for reservation selection!

Lottery System

On Monday, July 16, 2018 names will be randomly selected from the registration for reservations. Those whom are selected can expect to receive a phone call to book his/her reservation within 20 business days after the drawing is completed. If an individual does not answer, a voicemail will be left and he/she will have 24 hours to return our call and reserve a room.

During the 20 days following the lottery selection, over 1,000 calls to those drawn to book reservations, so please be patient!

Reservation Information

Reservations for Lottery Weekends will have a two night minimum, two room maximum. We will not require an advance deposit at the time of booking. Reservations will have a 30 day cancellation policy. Cancellations must be received prior to 3:00 PM 30 days prior to the arrival date in order to avoid a penalty of one night's room and tax.

It is highly recommended that guests use the online registration to enter the lottery. If a guest does not have access to our website or has questions, please call our property directly for assistance.
